

The Academy is inviting teens aged 13 to 14 to submit an application to become one of our counselors-in-training! Participants work side by side with experienced Academy staff, all while experiencing the fun of camp. Counselors-in-training will help staff set up and run activities as well as help with the daily tasks of working with children in a museum setting. In addition to the valuable experience of working with Academy staff, each Counselor-in-Training gets to enjoy all of the activities, guest speakers, special events, and field trips; including the campers-only overnight!

CITs are outgoing teens who have an interest in science. They are teens who would enjoy helping younger children learn in a fun and exciting environment.

**CIT candidates:  
Please complete and sign the following application. Use additional paper if necessary.**

Name: \_\_\_\_\_

Age: \_\_\_\_\_ Grade in school (if applicable) \_\_\_\_\_

Name of your school (if applicable) \_\_\_\_\_

Circle:            Male                                  Female

Have you visited the Academy of Natural Sciences before? On a field trip with your school? With your family?

\_\_\_\_\_  
\_\_\_\_\_

What is your favorite subject in school or what is your favorite topic of study? Why?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

What do you like to do during the summer?

\_\_\_\_\_
