

ASTC Travel Passport Program Participants Within 90 Miles of Philadelphia

The Travel Passport Program entitles visitors to **free general admission**. It does not include free admission to special exhibits, planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. Each museum has its own admissions policy (denoted by “F:”) which lets you know which and how many family members receive free admission when they visit. For the restrictions below, 90 miles/145 km is measured “as the crow flies” and not by driving distance.
