Ages 5–12

9 a.m.–4 p.m.
with optional before and after care

Pet Project July 9–13
Learn what makes your furry, feathered, and scaly friends so special and what you can do to make the life of a pet better.

Dinosaur Detectives July 16–20
Use fossil clues to unravel an ancient mystery about these amazing animals. Delve deeper into the lives of dinosaur relatives that are still around today.

Diggin' Dirt July 23–27
Get your hands dirty and dig into the science of soil! Meet some critters that call dirt home, and find out what it takes to make your garden grow.

Animal Athletes July 30–August 3
How do you compare to a cheetah, ant, or parrot? Test your speed, skills, and smarts against the gold medal winners of the Animal Kingdom.

Fossil Frenzy August 6–10
Examine real fossils to uncover the secrets of ancient life from the biggest dinosaur to the smallest plant. Rocks rock!

Bug Bonanza August 13–17
Fly, scurry, climb, and slink your way through the lives of bugs from all over the world. Plus, meet some real live creepy crawlies.

Kitchen Creations August 20–24
Can discovery happen anywhere? Use everything but the kitchen sink to investigate some serious science.

All Academy Explorers Summer Camp families are invited to spend the night at the Academy during a “campers-only” Safari Overnight on August 25.
