Existing scanned image *	\$25	\$35
New scanned image *	\$35	\$45
Special formats	price on request	
Rush Orders †	add 100%	

* Digitized images are scanned at 600 dpi and typically saved in the TIFF format. They can be supplied either on CD-ROM or via ftp.

† Rush Orders (3 business days if possible and if agreed to in advance). The Botany Department reserves the right to decline the rush of any order.

1. The Botany Department reserves the right to decline a digital imaging request if the process may damage the material.
2. Charges for publication rights are in addition to digital imaging and photography fees (see Permissions for more information).
3. All prices are subject to change without notice.

No publication or any other public or commercial use may be made of any copy except in accordance with a separate statement of Publication Rights signed by the person or entity requesting copies. These fees apply to the use of digitally recorded or photographed images of any specimen in the collection of the Botany Department.

Prepayment is required.
